It is essential that you develop a regular habit of independent learning in MFL. Here are some suggestions for activities you could do throughout the year. Some of them are one-off tasks, but some of them, such as watching news bulletins and reading magazines, should become regular habits. There are also blank spaces for your own activities.

This learning log must be completed and shown to your teacher **every term** and all your evidence must be kept in a separate section of your folder.
