

STATEMENT ON CAREERS PROVIDER ACCESS

Approved by the Curriculum Committee on 13th March 2025, to be revised in 2026.

This statement sets out the school's arrangements for managing the access of providers to students at Queen Elizabeth's for the purpose of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997.

Student Entitlement

All students in years 7-13 are entitled:

- to find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point
- to hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies and group discussions and taster events
- to undertake the formation of an e-portfolio to record activities undertaken to improve employability
- to understand how to make applications for the full range of academic and technical courses

Management of provider access requests

Procedure

A provider wishing to request access should contact Ms Slane, World of Work Co-ordinator,
Telephone: 01795 533132 Email: hs@queenelizabeths.kent.sch.uk

Premises and facilities

The school will make the main hall, classrooms or private meeting rooms available for discussions between the provider and students, as appropriate to the activity. The school will also make available AV and other specialist equipment to support provider presentations and virtual learning opportunities. This will all be discussed and agreed in advance of the event with the Careers Leader or a member of their team.

Providers are welcome to leave a copy of their prospectus or other relevant course literature at the Careers Resource Centre, which is managed by the school librarian. The resource centre is available to all students at lunch and break times.
